VISION STATEMENT

Spoon River Valley CUSD#4 will partner with our community to preserve the district, our rural values, and the benefits of our small school environment. We will create a safe, secure, nurturing, and educationally challenging environment where each student has the opportunity to achieve his or her individual potential.

SPECIAL NOTE TO PARENTS AND STUDENTS

This handbook is not intended to create a contractual relationship with the student; rather, it is intended to describe the school, its current practices, procedures, rules, and code of conduct. Membership or participation in a school-sanctioned activity is a privilege and not a property right. The principal may establish additional rules, procedures, and regulations not contained within this handbook. Such rules and regulations shall be consistent with those established by the Board of Education and Superintendent of Schools. Since no handbook or disciplinary code can cover every action that interferes with fellow students or disrupts the educational process, the administration reserves the right to take disciplinary action when necessary, even though the offense is not specifically referred to in the student handbook. This handbook is only a summary of board policies governing the district. Board

policies are available to the public at the district office. This handbook may be amended during the year without notice. This handbook contains information needs to be known by all students and parents. It provides the current practices, procedures and policies of Spoon River Valley Jr./Sr. High School. This document is superseded by District Board Policy and State Statute should there be a discrepancy.

If there are any questions or concerns during the year, we hope you will use the following procedures to try to resolve the situation. First, call the teacher directly involved. If this contact does not produce the hoped for results, then the counselor or the principal should be contacted. The office is always open during the school day for assistance to parents and students.

Pupil-Teacher-Parent Conferences - Notification of student progress is given through the report card, deficiency reports

and personal contacts by teachers. If there is a question, please call the school for an appointment with the teacher, counselor or principal. Students or parents may request a conference with a teacher before or after school, or at a time convenient to both during the school day. Teachers may also request conferences with a student and/or parent.

Accidents and illness - The school will make every effort to inform the parents of any accidents or illness occurring at school that may need care or observation at home. No student will be sent home during the school day unless an adult listed on the emergency form gives consent. For this reason, it is vital that the office have an up-to-date, fully completed emergency form on file.

Health - Although a physical examination for each student is not required before entering school each year, it is desirable. A child's immunization must be kept up-to-date as recommended by the family's physician. **A ninth grade physical examination is required by the state of Illinois before a student is allowed in school** A dental examination, while not required, is strongly recommended.

Drug-Free Statement - Alcohol and other drug abuse impair education and disrupt the learning environment. Drug dependency is a treatable illness. Consumption of mood-altering chemicals (alcohol and other drugs) adversely affects a student's health, safety and ability to perform. The district encourages early identification, communication with parents, and referral to counseling agencies.

ACCOMMODATING INDIVIDUALS WITH DISABILITIES

Individuals with disabilities shall be provided an opportunity to participate in all school- sponsored services, programs, or activities on an equal basis to those without disabilities and will not be subject to illegal discrimination. Where necessary, the District may provide to persons with disabilities separate or different aids, benefits, or services from, but as effective as, those provided to others.

The District will provide auxiliary aids and services where necessary to afford individuals with disabilities equal opportunity to participate in or enjoy the benefits of a service, program, or activity. Each service, program, or activity operated in existing facilities shall be readily accessible to, and usable by, individuals with disabilities. New construction and alterations to facilities existing before January 26, 1992, will be accessible when viewed in their entirety.

The Superintendent is designated by the Americans With Disabilities Act, Title II Coordinator and, in that capacity, is directed to:

1. Oversee the District's compliance efforts, recommend necessary modifications to the

Board, and maintain the District's final Title II self-evaluation document and keep it available for public inspection, for at least 3 years after its completion date.

2. Institute plans to make information regarding Title II's protection available to any interested party.

Individuals with disabilities should notify the Superintendent or building Principal if they have a disability that will require special assistance or services and, if so, what services are required. This notification should occur as far as possible before the school-sponsored function, program, or meeting. Individuals with disabilities may allege a violation of this policy or federal law by reporting it to the Superintendent, as the Title II Coordinator, or by filing a grievance under the Uniform Grievance Procedure. The District's current Complaint Managers for the Uniform Grievance Procedure are:

Chris Janssen, Superintendent
35265 N. IL 97, London Mills, IL 61544
309-778-2201

Jody Collier, Principal
35265 N IL 97, London Mills, IL 61544
309-778-2201

EQUAL EDUCATIONAL OPPORTUNITIES

Equal educational opportunities shall be available for all students without regard to color, race, nationality, religion, sex, sexual orientation, ancestry, age, physical or mental disability, gender identity, status of being homeless, order of protection status, actual or potential marital or parental status, including pregnancy. Any student may file a discrimination grievance by using the Uniform Grievance Procedure (see Appendix A).

Sex Equity: No student shall, on the basis of sex, be denied equal access to programs, activities, services, or benefits or be limited in the exercise of any right, privilege, advantage, or denied access to educational and extracurricular programs and activities.

Any student may file a sex equity complaint by using the Uniform Grievance Procedure. A student may appeal the School Board's resolution of the complaint to the Regional Superintendent of Schools and, thereafter, to the State Superintendent of Education.

Under provisions of Title IX of the Education Amendment of 1972, The rehabilitation Act of 1973, Section 504, and the Americans with Disabilities Act of 1990, Spoon River Valley CUSD #4 is prohibited from discriminating against anyone on the basis of race, color, national origin, gender, or disability in

education programs, employment, compensation, job classification, or promotion. Anyone who feels that their rights as guaranteed by the above mentioned acts have been violated may file a complaint with one of the following individuals:

Chris Janssen, Superintendent
35265 N. IL 97, London Mills, IL 61544
309-778-2201

Jody Collier, Principal
35265 N IL 97, London Mills, IL 61544
309-778-2201

Administrative Implementation: The Superintendent shall appoint the District's Guidance Counselor as the Nondiscrimination Coordinator. The Superintendent and Building Principal shall use reasonable measures to inform staff members and students of this policy and grievance procedure.

DISCLAIMER

This handbook, while hoped to be comprehensive, is only a summary of the Spoon River Valley C.U.S.D. #4's policies. Copies of the district's policies are available to the public at the District Administrative offices. Provisions in this handbook may be changed at any time during the school year without notice.

GUIDANCE STATEMENT FOR EFFECTIVE PARENT INVOLVEMENT

Question: As a parent how do I help my child reach their maximum potential as a student at Spoon River Valley?

Spoon River Valley School District #4 values parental involvement that is constructive and promotes both student and district program achievement. Parents are encouraged to regularly examine online grades that are posted on the parent connect system on a regular basis and to engage student instructors by means of email in a similar manner. Parents must understand that teachers will make every effort to respond to parent inquiries within a 24 hour timeframe. Unless specified by Rtl programmatic intervention or an Individualized Educational Program (IEP) provides for specific interventions. With-in the 24 hour period following the parent's phone message, the teacher will contact the parent to schedule a meeting at the teacher's earliest convenience.

Parents are encouraged to address the following questions prior to scheduling a meeting with any teacher:

- Have you talked to your child about his/her class?
- Have you emailed the teacher about the issue?
- Have you checked your child's attendance?

- Have you checked your child's grade in SDS/ Parent Connect?

Parent calls will not be sent to the classroom while the teacher is in class. A message will be taken that will include the parent's name, phone number, and a brief message about what they would like to discuss with the teacher. The teacher will make every effort to return the call at his/her earliest convenience. In this manner the number of classroom distractions will be minimized and student engagement maximized.

At the formal parent teacher conferences it is the district expectation that a degree of civility be exhibited by all parties that are involved in discussions involving student matters. While parties involved may respectfully disagree regarding a particular student, the use of profanity, adult bullying, mental or physical abuse directed at staff or other students will not be tolerated. In the event such situations occur the conference will be immediately terminated, administration informed, and additional actions taken if needed as the situation warrants.

-Approved by the board of education February 2015

ACADEMIC INFORMATION

STUDENT RESPONSIBILITY

Students must remember that they are going to be held to high academic, behavioral, and dress-code standards. It is the student's responsibility to make every effort to have a successful school year. Your education is important to everyone associated with Spoon River Valley; it needs to be important to you.

ACADEMIC LETTERS PROGRAM

Full credit academic course grades are computed into semester grade point averages using the weighted grading scale. Points are assigned at the end of each semester, based on the grade point average each semester. The following point system will be used:

Semester Grade Point Average	Academic Points
4.0	4 pts.
3.5 to 3.99	3 pts.
3.25 to 3.49	2 pts.
3.0 to 3.24	1 pt.

An academic patch is awarded when a student earns 6 academic points. A letter is awarded for 12 points. Pins are awarded after a student receives a letter and accumulates 15, 18, 21, 24, 27, and 30 points.

CHEATING/PLAGIARISM

Giving or receiving information on an examination, quiz, or assignment is cheating which will result in a zero for the

exam/quiz/assignment and possible referral to the office. Using another's ideas or words as your own is a practice that will not be tolerated. Referrals for cheating and plagiarism will be dealt with the same as disorderly conduct.

CURRICULUM

School districts are authorized to provide curricular offerings in areas identified by the State Code and the State Board rules. To meet minimum curriculum requirements, Junior High Schools must provide: language arts; communication skills; science; mathematics; conservation of natural resources; social studies and U.S. history; career education; music; art; physical education; health education; safety education; the Holocaust; black history; history of women in America; prevention and avoidance of drug and substance abuse; prevention and avoidance of abduction; prevention and avoidance of sexual abuse; and American patriotism and principles of representative government. Sr. high school provides the same curricular areas with the addition of driver's education and foreign language. Most classes at Valley High School are intended to be taken as first semester and second semester courses. Students are expected to stay in a full year class for the entire year. Only under extreme circumstances could an exception be made. Dropping a class at the semester requires permission from the principal through the appropriate paperwork.

DRIVER'S EDUCATION

The district makes every effort to schedule students into driver's education in such a manner that the student will complete the course prior to his/her 16th birthday. However, with state requirements being such that the student must hold their permit for 9 months, a driver's license by the 16th birthday may not be possible. At minimum, each student will be offered Driver's Education in such a manner that they will be able to complete the course during the semester of their 16th birthday. When numbers warrant, a summer driver's education program will be offered. Students otherwise eligible to take driver's education must receive a passing grade in at least 8 classes during the previous 2 semesters of school before being allowed to enroll in driver's education.

DUAL CREDIT

Dual credit opportunities allow students to earn both high school and college credit for the course. In order to be eligible for dual credit for a course that is offered, all procedures must be followed and forms must be completed by the established deadlines. All dual credit courses must be approved in advance and a student may NOT take a course for dual credit that we offer here unless given approval from the board after the appropriate request has been made. College tuition charges are through an arrangement directly between the student/parent and the college. Spoon River

Valley High School has no involvement in the tuition process. If students take dual credit above and beyond the seven period day, they must declare up front which course they want to count for high school credit and grade point.

EARLY GRADUATION

Students who wish to graduate from Spoon River Valley High School in less than four years may do so based on the merit of each individual case. Students must contact the guidance office no later than the end of their sophomore year so a completed plan of study may be presented to the board of education.

EXAMINATIONS

Teachers may administer tests in their classes at their discretion during the school year. Tests, quizzes, term papers, and major assignments handed in by students will be corrected and returned by the teacher. This may not be the case with semester examinations.

FINAL EXAMINATIONS

All courses at the high school level will give a final exam at the end of each semester during the scheduled days for final exams. Semester exams are mandatory for those academic classes to which they may apply. Students taking final exams must remain in attendance on finals days until they sign out for the remainder of the day. Students may NOT leave and then return. Students must be in attendance for the final exams unless they are exempt by the criteria below. If a student misses first semester exams due to illness, the student will make up his/her exams during the teacher in-service day before school begins again in January. If a student misses second semester exams due to illness, the student will make up his/her exams during the teacher in-service day following the exam days. If a student does not take the exam during the regular scheduled time or during the make-up time, he/she will receive a zero on the final exam. Medical documentation of having seen a doctor is the only excuse for missing finals that will be accepted. Parent excuses are not valid for missing finals.

FINAL EXAM EXEMPTIONS

All students will take the final exam in all dual credit and online courses. For weighted and nonweighted courses, if a student has an A or B for the semester grade by the cut-off date and has not had 3 first hour tardies, 3 homeroom parent excuses, or 3 absences, that student will be exempt from taking that final. The grade used to determine is the actual grade in the course. The exemption does not apply to college courses. Any student that received an in-school or out of school suspension will be required to take final examinations in all courses that semester.

Any student who is exempt may choose to take the final exam. In this case, the final exam should not lower the semester grade.

EXTRA HELP

Students may arrange a conference with teachers during homeroom, before and after school or at a time convenient to both student and teacher during the day. A teacher will sometimes request that a student stay after school if it is apparent that the student is having difficulty with his/her work.

JR. HIGH RETENTION POLICY

Students will be retained if they fail to pass 4 out of the 5 required yearlong classes (Language Arts, Social Studies, Science, Math, and PE). The principal shall examine the grades of the rotational classes, elective classes, and test scores, such as the PARCC, to determine if a borderline student is retained.

GRADUATION CEREMONY

Students meeting all requirements for graduation are invited to participate in the graduation ceremony held each year in May. Students must meet ALL requirements prior to the ceremony in order to participate in the ceremony. Those students participating in the ceremony are required to purchase all of the appropriate ceremony regalia through the supply company chosen by the school for such purposes.

GRADING

Grades are an evaluation of what the student has learned. They become part of a permanent record that lasts as long as he/she lives. Institutions of higher learning, potential employers, and the career military services are all interested in a student's high school records.

Grades A, B, C, and D, are passing. "A" indicates exceptionally fine work; "B" represents better than average work; "C" indicates average work; "D" indicates poor work. The grade of "F" indicates failure. At the high school, the grade given at the end of the semester is a cumulative grade for that semester and is the one that is recorded. "W/F" is applied to a high school student withdrawing from a class after the drop deadline each semester. In the junior high, required year-long classes will be given a final grade, which is the cumulative grade from each of the four quarters. Grades shall be determined as follows:

Jr. High - each nine weeks period will count as 25% of the yearly grade.
High School - each nine weeks period will count 40%; the semester exam will count 20%; grades will be averaged by percentages.

Grading Scale:

A= 93 - 100
B = 85 - 92
C = 75 - 84
D = 65 - 74
F = 0 - 64

Progress Reports: Current grades are available online. Reports may be sent to you whenever a teacher has a concern or wishes to call attention to outstanding work or a marked improvement in a particular area. If you have a concern over your child's progress, please contact the teacher to discuss the matter or arrange for a conference.

Report Cards: Report cards are issued every nine weeks. The primary purpose of the report card is to give a progress report on your child's achievement, effort, and behavior.

GRADUATION REQUIREMENTS

Spoon River Valley High School is a state approved high school meeting the requirements of and abiding by the regulations of the Illinois State Board of Education. 26 credits must be accumulated in order to graduate starting with the 2012-2013 Freshman class. CLASS STANDING

In order that students might constantly be aware of where they are in relation to graduation, each student is placed in a homeroom based on the number of classes that they have successfully completed.

0-6.0 Credits	Freshman standing and Homeroom
6.5 – 12.5 Credits	Sophomore standing and Homeroom
13.0 – 19.0 Credits	Junior standing and Homeroom
19.5 Credits	Senior standing and Homeroom

HOMEWORK POLICY

Homework is a standard and necessary part of most classes. Homework reinforces newly learned skills while helping to administer knowledge of information previously introduced. Initiative, independence, responsibility, self-confidence, and self-discipline are developed when a child is given independent home study. Homework also provides skill practice, enriches learning, and allows for activities not possible in class.

The teachers plan homework that is productive and accomplishes at least one of the following goals:

1. Further reinforces skills already learned at school.
2. Motivates the student, with or without parent involvement to extend learning that has occurred at school.
3. Develops and strengthen the student's individual interest.
4. Helps develop independence in study skills as well as a sense of individual responsibility.
5. Helps the student prepare for future lessons.

Whenever possible, individual needs and differences are considered when planning a homework program. Since no two students are alike, they may require different amounts of time to complete the same assignment.

HONOR ROLL

Students that earn NO Ds or Fs will be considered for the various honor rolls. HS honor rolls are based on semester grades. JH honor rolls are based on quarter grades. Students that earn a D in a weighted course can be considered for the honor roll. Honor roll is based on the following GPAs

PERFECT HONORS	4.00 or Above
HIGH HONORS	3.50 to 3.999
HONORS	3.00 TO 3.499

NATIONAL HONOR SOCIETY

To be eligible for membership in the Valley chapter of the National Honor Society, a student must have

completed 5 semesters of high school work and have a cumulative grade point average of 3.50.

Students who meet the academic requirement will then be asked to submit a Student Activity Information Form detailing their service, leadership and character. Students will also be required to sign a packet with the Society's By-Laws. Faculty evaluations (of students who return their forms) are used to support the strength of a student's candidacy in the areas of service, leadership and character.

The Faculty Council reviews the Student Activity Information Forms along with the faculty evaluations and then selects students for membership. Students selected for membership are expected to continue to demonstrate the qualities of scholarship, service, leadership and character. A periodic review of NHS members will be conducted by the Faculty Council.

TOP 10% HONOR STUDENTS

Each year at graduation, the top 10% of the Senior Class will be recognized for their outstanding academic achievement.

CLASS RANK

To determine class rank, the following point system shall be assigned to semester grades. ALL CLASSES taken during the regular school day count towards a student's honors points.

REGULAR COURSES: an A=4, B=3, C=2, D=1, F=0

MERIT COURSES: an A=5, B=4, C=3, D=2, F=0

Student class rank is determined by the total amount of accumulated honors points. Weighted classes are calculated on a 5 point scale, while other classes are calculated on a 4 point scale.

Weighted Courses are Algebra II, Trigonometry/Pre-Calculus, Calculus, Spanish III, Spanish IV, Anatomy & Physiology, Chemistry, Physics, English III (CP) and College Credit Classes declared to count for dual credit.

MAKE-UP WORK

If a student's absence is excused or if a student is suspended from school, he/she will be permitted to make up all missed work, including homework and tests, for equivalent academic credit. Students who are unexcused from school will not be allowed to make up missed work.

Students who have an excused absence may be required to make up work missed in each class. The work should take approximately the same amount of time as the time missed from class. In most cases, the student will be allowed one(1) day for every day missed to complete the work (up to a maximum of 2 weeks). The first day back counts as the first day. Tests, quizzes, projects, etc that were due on a day a student was absent, are due upon their return. A one-day

absence does not excuse a student from the responsibility for all assignments on the day of his/her return to school. Work not made up within the allotted time will be assigned a grade of zero. In all cases, all work must be completed within 2 weeks of the end of the grading period, except in emergency situations. Students suspended out of school are allowed to make up work. **Students with an unexcused absence not cleared within a week of absence, will NOT be allowed to turn in work for credit and will receive a zero on any homework, class work and exams for that day.**

It is the student's responsibility to obtain all make-up work from his/her teachers immediately upon return to school. Failure to obtain make-up work is not an excuse for failing to completing the missed work. Field Trips or school events are not considered an absence, so the homework assigned in a class that is missed due to a field trip or school event is due the same as if you were present for the class. **Students are eligible to make up work missed during a suspension, however, that work is due the first day the student returns to classes.**

NON PARTICIPATION DUE TO RELIGIOUS BELIEFS

Students who have moral objections to dissecting or vivisectioning animals or sex education will be excused from classroom attendance without penalty during times when such activities are taking place. The classroom teacher, with the building principal's approval, shall arrange alternative instructional activities and alternative classroom attendance. All students under the age of 18 must have these objections presented by their parents/guardians in writing.

SCHEDULE CHANGES

All students are required to attend the first day of classes as scheduled. After the first day, schedule changes can be made by the end of the first five days of school.. Schedule changes will only be made if:

1. The student completes the appropriate class change form with the required signatures.
2. The change is possible in terms of existing schedule and it will not overload a particular class.
3. The change results in a reasonable program of studies in terms of the established curriculum.
4. The principal/counselor approves the change after consultation with the teacher.

ATTENDANCE

Good attendance is an indicator of responsibility in school and work. Many prospective employers call the high school for references and ask about attendance. It is important to make every effort to attend classes. Many activities in a classroom cannot be made up by a student who misses that class. The School Code of Illinois clearly states, under Chapter

105, Article 26, the compulsory attendance laws which Illinois schools are obligated to follow. Parents or guardians are charged with the responsibility to ensure that their children attend school.

Illinois law requires that whoever has custody or control of any child between six (by September 1st) and seventeen years of age shall assure that the child attends school in the district in which he or she resides, during the entire time school is in session (unless the child has already graduated from high school). Illinois law also requires that whoever has custody or control of a child who is enrolled in the school, regardless of the child's age, shall assure that the child attends school during the entire time school is in session.

There are certain exceptions to the attendance requirement for children who: attend private school, are physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), are lawfully and necessarily employed, are between the ages of 12 and 14 while in confirmation classes, have a religious reason requiring absence, or are 16 or older and employed and enrolled in a graduation incentive program.

PRESS 7:70, *Attendance and Truancy*

ABSENCE PROCEDURE

The parent/guardian should call the office at 778-2201 between 7:30 AM and 9:00 AM each day a student is absent from school. If the parent/guardian does not call the school, an attempt will be made to contact him/her to verify the student's absence. This call will be made utilizing telephone numbers provided on the emergency form.

Upon returning to school after an absence, students should check in at the building office. An unexcused absence will result in a zero for all work that day.

Students who have been absent over five (5) consecutive days because of illness must have a physician's release to re-enter school.

A student is allowed five written excused absences from parents per semester. After the 5th written excuse, the student must have documentation from a physician, dentist, court official, or college representative to excuse the absence. Absences after five will count as unexcused unless documented by a physician, dentist, court official or college representative. In order for a doctor's excuse to count as a doctor's excuse, the student must be seen by the doctor. All other absences will be treated as parent excused. All students who are absent MUST have a written excuse upon returning

to school. The student has five school days to turn in the written excuse. All notes for excusal from school must have a beginning and end date and not to exceed 5 days for parent excuses or 20 days for doctor excuses. Any portion of the day the student is released by a parent excuse, the absence will be treated as a half or full day parent excused. If the student has used all of their parent excused days, the absence will be unexcused. Additionally, a student will be excused for up to 5 days in cases where the student's parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings. The Board of Education, in its discretion, may excuse a student for additional days relative to such leave or deployment.

ATTENDANCE AT SCHOOL FUNCTIONS

To participate in or spectate at an after-school practice, rehearsal, or activity, students must be in attendance for half the school day. Exceptions are field trips, college visits, doctor's appointments, or court appointments. These must be documented. A prearranged absence form must be turned in ahead of time when appropriate. The administration also reserves discretion for events that may be beyond the scope listed here. If attending or participating in an event after missing more than a half day of school, the student will be asked to leave and will be issued a level II consequence for insubordination.

CLOSED CAMPUS

Spoon River Valley Jr./Sr. High School operates under a closed campus policy. This means that a student is to be on campus (in the school building) in the designated areas from the beginning of his/her first class until the end of the school day. Any student violating this policy will be considered truant.

COLLEGE VISIT DAYS

Making a decision on education or training after you finish at Spoon River Valley High School is not an easy decision. We understand that sometimes a personal visit to the college or university is necessary to help in that decision. However, it is also our hope that every effort will be made to take care of these visitations on days when school is not in session. College visit days must be approved ahead of time through the principal. Students missing school for college visits must fill out the appropriate college visit form for approval BEFORE going on the visit and also return a form signed by the admissions office of the college that they are visiting indicating the date(s) they were at the college. Failure to provide this form will result in the absence being considered unexcused. Students are allowed a total of 6 college visit days during high school.

EARLY / EMERGENCY DISMISSALS / SCHOOL CANCELLATIONS

There will also be several 11:30 dismissals scheduled for half-day teacher workshops (see district calendar which is posted on the website). Notification of school closings, delayed starts, or unscheduled early dismissals due to inclement weather or other emergencies will be broadcast on the following radio stations:

WBYS - Canton	FM 107.9
WJEQ - Macomb	FM 102.7
WAAG - Galesburg	FM 94.9
WAIK - Galesburg	AM 1590
WKAI - Macomb	FM 100.1

Please do not call the school. Telephone lines must be kept open for emergencies.

LEAVING DURING SCHOOL HOURS

UNDER NO CIRCUMSTANCE IS A STUDENT TO LEAVE SCHOOL BEFORE THE END OF SCHOOL WITHOUT PRIOR PERMISSION AND SIGNING OUT IN THE OFFICE.

When it is necessary for a student to leave school during the day, the student must have prior permission from the office and must sign out. If a student becomes ill at school, he/she should report to the office. A parent or other authorized person (as listed on the Emergency Form) will be contacted before granting permission to leave. If an emergency arises, only the office phone is to be used to contact parents. Students leaving class or school without permission are truant. See consequences for truancy. Students may NOT leave and return to school the same day unless it is a school event, documented medical appointment or documented court appointment.

LEAVING SCHOOL DURING SCHOOL HOURS OR SCHOOL EVENT FOR MEDICAL EMERGENCY

When a student has a medical emergency during school hours or at a school event, all effort will be made to contact parents or guardians and apprise them of the situation and get direction. Emergency personnel may be contacted as appropriate and appropriate action taken accordingly. If a student has a medical emergency during school hours or at a school event, the administration may require a doctor clearance before a student is allowed to return to school or the activity.

NON-ATTENDANCE POLICY

Out-of-school suspensions will count and be used in reporting the total number of student absences. Students under the age of 17 with excessive absences will be reported to Project Stay (the Fulton County Truancy Program).

The student and his/her parents will be notified of the attendance problem and possible consequences. Notification will include letters home, conferences with administrator or the counselor, and a certified letter warning of possible removal of student from school. If supportive services have failed to remedy the attendance issue, the student will have an opportunity for a due process hearing before the board of education who may then take action that may include expulsion.

PASS PRIVILEGES

Students need to be in their assigned classes in order to learn. In addition, our Safe School plan mandates that each student must:

1. Be in their assigned classroom when the class period begins
2. Always have a pass to be in the hall or in an unassigned area during class or homeroom.
3. Be going directly to, staying in, or returning directly from the location indicated on the pass.

A student who is found in the halls without a pass or who abuses the use of hall passes will be placed on the No Pass List. Time spent on the No Pass List will be minimally as follows:

FIRST OFFENSE:	2 week
SECOND OFFENSE:	4 weeks
THIRD OFFENSE:	6 weeks
FOURTH OFFENSE:	8 weeks
REPEATED OFFENSES:	may result in suspension

A student on the No Pass List is not to accept a pass if offered one, and must have a designated escort to leave or return to his/her class.

PHYSICAL EDUCATION ABSENCES

If a student is to be excused from a physical education class for a day due to illness or injury, the student must bring a written note from home to the P.E. instructor. This will excuse him/her from physical education class for one day only. To be excused for 3 or more days, he/she must have a note from his/her doctor.

P.E. uniforms are required, grades 7-12. The official uniform consists of PE shorts and a gray Valley PE shirt with appropriate shoes.

PHYSICAL EDUCATION WAIVER

In accordance with state statute, all students must be enrolled in a Physical Education course. Juniors and Seniors may file for approval of a waiver if the student is active in interscholastic sports for the entire semester. Students must fill out a waiver form and have administrative approval within the first five days of the semester. Students that waive the PE requirement, will not be required to take PE that semester, and will not receive credit for PE.

A student in grades 9-12 may submit a written request to the building principal requesting to be excused from physical education courses for the reasons stated below.

- Ongoing participation in an interscholastic athletic program (student must be in the 11th or 12th grade);As per state statute
- Enrollment in academic classes that are required for graduation from high school, provided that failure to take such classes will result in the student being unable to graduate (student must be in the 11th or 12th grade).

A student in grades 3-12 who is eligible for special education may be excused from physical education courses if:

- The student's parent/guardian agrees that the student must utilize the time set aside for physical education to receive special education support and services,
- The student's Individualized Education Program team determines that the student must utilize the time set aside for physical education to receive special education support and services. The agreement or determination must be made a part of the Individualized Education Program; or
- The student has an Individualized Education Program and is participating in an adaptive athletic program outside of the school setting, and the student's parent or guardian documents this participation.

A student requiring adapted physical education will receive that service in accordance with the student's Individualized Education Program.

ANTICIPATED ABSENCES

In the event a student must be absent from school for

reasons other than illness, death in the family, or family emergency, the student is to make arrangements with the administration at least two (2) days in advance of the absence. Arrangements for make-up work must be made prior to leaving. The student must make up any missed work within two days of their return to school. Any student who does not follow this procedure will have the absence treated as an unexcused absence. **Students missing school for college visits must return a form signed by the admissions office of the college that they are visiting indicating the date(s) that they were at the college. Failure to provide this form will result in the absence being considered unexcused.**

STATE TESTING

Students will be tested in accordance with the mandates set for by the State of Illinois as set out in state statute. Currently that involves the PARCC test for all students in grades 7-8, PSAT for 9th and 10th grades and SAT for 11th grade. **TARDIES**
All students are expected to arrive in the classroom with needed materials before the tardy bell rings. Students have three (3) minutes between classes.

TARDIES

When a student accumulates 5 tardies (a tardy being defined as arriving to class after the bell without a pass from a staff member) the student will be issued a 1 hour after school detention. When a student accumulates 10 total tardies the student will be issued an in-school suspension. Each accumulation of 5 will result in progressive discipline measures.
At the beginning of the 2nd semester the tardy count starts over.
Students tardy to 1st hour will receive a lunch detention each time, after 5 1st hour tardies, an after school detention will be assigned, after 10 the result will be an in school suspension.

Procedure to follow if tardy to class:

A student should report, with or without a pass, directly to the assigned class. Tardies will be unexcused unless a student has a pass from a staff member. Students with three (3) tardies to a particular class will be given a teacher detention.

Procedure to follow if arriving late to school:

If a student arrives to school after 8:10 AM, he/she MUST immediately report to the office, sign in and secure a tardy slip for class. If a student arrives between class periods, he/she must still sign in. Students that are late to school will be issued a lunch detention that day. If a student fails to serve the lunch detention that day, an after school detention will be issued. Students arriving during homeroom will be

considered tardy while students arriving after homeroom will be considered half or full day absent.

TRUANCY

Student attendance is critical to the learning process. Truancy is therefore a serious issue and will be dealt with in a serious manner by the school and district.

Students who miss 5% or more of the prior 180 regular school days without valid cause (a recognized excuse) are considered chronic truants. Students who are chronic truants will be offered support services and resources aimed at correcting the truancy issue.

If chronic truancy persists after support services and other resources are made available, the school and district will take further action, including:

- Referral to the truancy officer
- Reporting to officials under the Juvenile Court Act
- Referral to the State's Attorney
- Appropriate school discipline

A parent or guardian who knowingly and willfully permits a child to be truant is in violation of State law.

Cross-references:

PRESS 7:70, *Attendance and Truancy*

As noted in Chapter 105, Article 26 of the State Code of Illinois a student subject to compulsory school attendance and who is absent without valid cause from such attendance for a school day or any portion of the school day is considered truant. Valid cause for absence shall be illness, observance of a religious holiday, death in the immediate family, family emergency, and such other situations beyond the control of the student as determined by the Board of Education or such other circumstances which cause reasonable concern to the parent for the safety or health of the student.

There may be certain absences that are acceptable only if previously approved by the building principal. District #4 must enforce the state laws of Illinois regarding pupil attendance. Therefore, the following truancy policy has been established.

Consequences for truancy:

FIRST OFFENSE: Level II Consequences

SECOND OFFENSE & THIRD OFFENSE

Level II Consequences

REPEATED OFFENSES

1. One or more days of -school suspension.
2. Referral to the Attendance Assistance Program. A hearing before the Board of Education of District #4 for possible expulsion.

If a student leaves school without permission, the penalty is

an automatic one-day suspension. Multiple violations will result in multi-day suspension.

Students who skip a class (or portion of a class period) will be assigned an in or out of school suspension. The student may be assigned one day per period missed.

WITHDRAWAL FROM SCHOOL

A student wishing to withdraw from school must obtain and complete a withdrawal form from the office and must first obtain a parent signature authorizing withdrawal from school. Students 18 or older may submit the form on their own. The student must then check out with all of his/her teachers and return all books, locks, and other materials as well as pay any outstanding debts.

HOME AND HOSPITAL INSTRUCTION

A student who is absent or whose physician anticipates his or her absence from school for an extended period of time, or has ongoing intermittent absences because of a medical condition, may be eligible for instruction in the student's home or hospital.

A student who is unable to attend school because of pregnancy will be provided home instruction, correspondence courses, or other courses of instruction before the birth of the child when the student's physician indicates, in writing, that she is medically unable to attend regular classroom instruction as well as for up to 3 months after the child's birth or a miscarriage.

For information on home or hospital instruction, contact the building principal.

MISCELLANEOUS INFORMATION

ACCIDENTS

It is the responsibility of the student to report to the teacher or coach in charge all facts pertaining to an injury at the time of the occurrence. The staff member will complete reports for accidents that happen on school property and/or during travel to and from school. Witnesses need to be listed on the report. The faculty member and the student should report all accidents and injuries to the administration. If any injury requires medical attention and you are covered by student insurance, your claim must be filed within 90 days of the occurrence.

ANNOUNCEMENTS AND BULLETINS

All notices of club meetings, athletics and social events, general information for the day and specific instructions are placed in the daily announcements. All announcements must

be on the appropriate form, legible, and approved by the principal. Announcements are read each day at 8:10 and posted outside the main office. Announcements not turned in prior to 8 a.m. may be delayed until the end of the day.

ASSEMBLIES

Assemblies are a regularly scheduled part of the curriculum and as such are designed to be educational as well as entertaining experiences. They provide one of the few opportunities in school to learn formal audience behavior. Regardless of the type of program, courtesy demands that the student body be respectful and appreciative. Talking, whispering, whistling, stamping of feet, and booing are discourteous. Chromebooks, cell phones, and other forms of technology are not allowed at assemblies unless permission is given for an event.

BEFORE SCHOOL/AFTER SCHOOL

Students are not to be in the building before 7:55 AM unless directly supervised by a teacher or a coach. The doors will not be opened until this time so students should dress appropriately for the weather.

No student should be in the building after 3:30 PM unless supervised by a teacher or participating in a supervised activity. The office, academic doors, and exterior doors close daily at this time. Groups using the building in the evening must use only the section of the building reserved for them and leave all rooms and equipment in proper condition to resume school the next day. Students in violation of this policy are subject to disciplinary action.

BOOK AND MATERIAL FEES

Spoon River Valley Jr./Sr. High School charges a book and material fee for all students. IVHS students pay an additional prorated amount. Students are encouraged to pay the total amount during registration days. Students shall not be denied educational services or academic credit due to the inability of parents/guardians to pay fees and charges. Students whose parents/guardians are unable to afford student fees may receive a waiver of fees. Applications for those waivers must be submitted by a student's parents/guardians. These forms are available in the building office. Students receiving a fee waiver are not exempt from charges due to lost or damaged books, supplies and equipment. Driver Education students will be charged an additional fee payable during registration.

BOOK BAGS

As per the Spoon River Valley C.U.S.D. #4 School Safety Plan, book bags should be secured in lockers at the beginning of the day. They will not be permitted in the halls, classrooms or other areas during the school day without permission. Such permission must be received from the building Principal.

Purses are also considered bags and must be kept in the student's locker during the school day.

BUS TRANSPORTATION

The district provides bus transportation to and from school for all students living 1.5 miles or more from the school. A list of bus stops will be published at the beginning of the school year before student registration. Parents must, at the beginning of the school year, select one bus stop at which a student is to be picked up, and one stop at which a student is to be dropped off. Students are not permitted to ride a bus other than the bus to which they are assigned. Exceptions must be approved in advance by the building principal.

While students are on the bus, they are under the supervision of the bus driver. In most cases, bus discipline problems can be handled by the bus driver. In the case of a written disciplinary referral, student bus problems will be investigated and handled by the building principal.

Students are expected to follow all school rules while on the bus. Students may be suspended from riding the school bus for up to 10 consecutive school days for violating school rules or for engaging in other gross disobedience or misconduct. The school board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons. The district's regular suspension procedures shall be used to suspend a student's privilege to ride a school bus.

A student who is suspended from riding the school bus and who does not have alternative transportation to school shall be allowed the opportunity to make up all missed work for equivalent academic credit. It is the responsibility of the student's parent or guardian to notify the school that the student does not have alternative transportation to school.

In the interest of the student's safety and in compliance with State law, students are also expected to observe the following:

1. Dress properly for the weather. Make sure all drawstrings, ties, straps, etc. on all clothing, backpacks and other items, are shortened or removed to lessen the likelihood of them getting caught in bus doors, railings or aisles.
2. Arrive on time at the bus stop, and stay away from the street while waiting for the bus.
3. Stay away from the bus until it stops

4. completely and the driver signals you to board. Enter in single file without pushing. Always use the handrail.
4. Take a seat right away and remain seated facing forward. Keep your hands, arms, and head inside the bus.
5. Talk quietly on the bus. No shouting or creating loud noises that may distract the driver. Tablets, iPods®, iPads®, smartphones, and other electronic devices must be silenced on the bus unless a student uses headphones.
6. Help keep the bus neat and clean. Keep belongings out of the aisle and away from emergency exits. Eating and drinking are not allowed on the bus.
7. Always listen to the driver's instructions. Be courteous to the driver and other students. Sit with your hands to yourself and avoid making noises that would distract the driver or bother other passengers. Remain seated, keeping your hands, arms, and head inside the bus at all times.
8. Wait until the bus pulls to a complete stop before standing up. Use the handrail when exiting the bus.
9. Stay out of the danger zone next to the bus where the driver may have difficulty seeing you. Take five giant steps away from the bus and out of the danger zone, until you can see the driver and the driver sees you. Never crawl under a bus.
10. If you must cross the street after you get off the bus, wait for the driver's signal and then cross in front of the bus. Cross the street only after checking both ways for traffic.
11. Never run back to the bus, even if you dropped or forgot something.

Video and audio cameras may be active on busses to record student conduct and may be used for the purposes of investigation into misconduct or accidents on the bus.

For questions regarding school transportation issues, contact: Matt Harrison.

BUS CONDUCT

Students are expected to follow all schools when riding the school bus. A student may be suspended from riding the bus for up to 10 consecutive school days for engaging in gross disobedience or misconduct, including but not limited to, the following:

1. Violating any school rule or school district policy.
2. Willful injury or threat of injury to a bus driver or to another rider.
3. Willful and/or repeated defacement of the bus.
4. Repeated use of profanity.
5. Repeated willful disobedience of a directive from a bus driver or other supervisor.
6. Such other behavior as the building principal deems to threaten the safe operation of the bus and/or its occupants.

If a student is suspended from riding the bus for gross disobedience or misconduct on a bus, the School Board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons.

A student suspended from riding the bus who does not have

alternate transportation to school shall have the opportunity to complete or make up work for equivalent academic credit. It shall be the responsibility of the student's parent or guardian to notify the school that the student does not have alternate transportation.

CHANGE OF ADDRESS

The office should be informed immediately if a student changes his/her address or telephone number, or if there are any changes in telephone numbers on the Emergency Form.

CIVIL EMERGENCIES

What parents can do in an emergency:

1. Keep telephone lines open for emergency calls. **DO NOT PHONE THE SCHOOL.**
2. Keep civilian cars out of the area. Keep streets clear for emergency vehicles - police, ambulance, fire department.
3. Tune to WAAG FM 94.9 (Galesburg), WBYS FM 107.9 (Canton) or WKAI FM 100.1 (Macomb) for local information.

COMPUTER LABS

The building houses two computer labs. One lab is located in the business department and is used for specific classes. The other lab is located in the Library. This lab is available to teachers to use with classes, or for students to use with appropriate written permission (a pass from a teacher). Internet access is available to all students. A signed Acceptable Use Agreement must be on file for a student to be allowed use of the computers.

COURTESY

Courtesy to teachers, school employees, other students, and visitors in and out of school is a tradition and an expectation at Spoon River Valley Jr./Sr. High School. Students should treat all adult employees of the school with courtesy and follow any request or direction given by them. This includes bus drivers, custodians, cafeteria workers, and office personnel. Rudeness will result in disciplinary action for insubordination.

DISASTER DRILLS AND PROCEDURES

Fire and Civil Defense drills will be held regularly to develop and maintain safety practices that will allow students to move quickly and in an orderly manner to predesignated safety areas during an emergency. Rules of safety will be reviewed regularly and posted in each classroom. During a drill or actual emergency, personal safety will depend upon the way in which students carry out regular procedures or if the

situation dictates, modified instructions.

DRESS/GROOMING

Parents should provide guidance for their student in their dress and grooming. Students are required to dress in a way that does not distract or disrupt the educational environment of the school and also in a way that will not compromise the individual safety of the student. Therefore, students may not wear anything that distracts such as short shorts, mini-skirts, undergarments worn as outer garments, undergarments that are clearly visible through the outer garments, garments that show excess cleavage, caps or hats, see-through clothing or fish nets, shirts with messages that are obscene or suggestive in nature, clothing which advertises illegal substances or activities (i.e., tobacco, alcohol, or drug usage), slippers or clothing with excessive or obscene rips or tears. Common sense and cleanliness are the guidelines for all dress. Pants must be worn with the belt at the waistline. Shirts with sleeves removed will not be allowed (Factory seams only)

Outerwear (coats, gloves, hats, and jackets) is to be left in one's locker during school hours except at a teacher's discretion. Hats or any form of head covering are not to be worn inside the building during normal school hours. Footwear must be worn at all times. Tinted glasses worn indoors cause eyestrain and are therefore prohibited. If students must wear tinted glasses, they are to obtain a note from the principal.

The principal or his/her designee has the final determination as to what is appropriate dress and grooming. The first violation will result in a directive to change the attire before returning to classes. Any further violation may be interpreted as insubordination. If announced, these guidelines may be altered for special days such as Homecoming.

Remember, while some clothing may be fashionable, it may not be appropriate for school. Shorts must be long enough so when the student places their arms at their side, the bottom of the shorts extend down the leg farther than the finger tips. All tops must have straps a minimum of an inch wide.

No chains of any kind are allowed to be hanging from any article of clothing.

EXTRA-CURRICULAR ACTIVITIES & DANCES

1. Each student is urged to participate in extra-curricular activities, to be a "doer" and not a "watcher". There are activities that interest all students.
2. A student owes his/her best efforts to each club and activity in which he/she participates.
3. If the student falls behind in his/her schoolwork, after school help takes precedence over any

extra-curricular activity, and they may be requested to drop extra activities.

4. Obligations at home, church, and in the community should be considered in arriving at decisions on just how many extra-class activities should be joined.
5. Once a student has entered the building for an evening activity, he/she may not leave and return (Special permission to return after leaving may be obtained from the principal or faculty member in charge if the principal is absent) Remember, to obtain permission before leaving.
6. Who may attend dances:
 - a. Presently enrolled Spoon River Jr./Sr. High School students. (9-12 for high school dances and 7-8 for jr. high dances) Ineligibility does NOT affect whether a high school student can attend a dance. A junior high student MUST be eligible to attend a dance.
 - b. Friends and dates accompanied by other students. No student below 9th grade will be allowed to attend any high school dance. A student who requests to bring a friend who does not attend Valley high School must have the appropriate guest form filled out and approved by the established deadline. The form requires the signature of an administrator of the guest's school or similar identification of the guest. A student's guest cannot be 21 years old or older or in junior high
 - c. To attend the junior/senior prom, a student must be of junior status as stated on page 8 by the end of the first semester or be invited to the prom by another Valley student who does have junior or senior standing.
7. If a chaperone asks someone to leave the dance, that person will not be allowed back that evening and possible disciplinary action may follow.
8. Anyone leaving the building at any time during the dance will not be allowed to return to the building or the dance without permission.
9. All monies of extra-curricular activities shall be deposited in the activity fund with the Principal. A deposit slip will be given to each activity for monies deposited. An activity account request form shall be issued for expenditures issued by each organization.
10. All money earned (or property purchased with money earned) as a result of organized fundraising becomes the property of District #4.
11. No student can enter into a contract with an outside agency for the purpose of purchasing or providing funds or services on behalf of Unit 4.
12. The treasurer of each organization shall keep a

record of the finances, which will be checked with the record of the principal at the end of the month.

13. The secretary of each organization shall keep a record of each meeting.
14. Class meetings and club meetings will be arranged with the office.
15. Only the organization's sponsor may request account balance information from the school secretary.

FUND RAISING

The principal must approve all fund-raising projects. Students that participate in a fundraiser accept the responsibility to promptly pay for all items ordered. Projects that involve selling merchandise to residents of our community are not allowed without special permission. Tickets or articles of any kind, other than those associated with school-sponsored activities are not to be sold on school property by students or outside organizations. All fundraisers must be approved in accordance with the district fundraising policy.

HALLWAY PROCEDURE

1. Pass through corridors quietly to insure future pass privileges. Be considerate of others.
2. Discard trash in the containers provided. Please keep our school clean by picking up paper from the floors.
3. All students in the hallways during the class period MUST have a pass or signed agenda issued by a staff member.

HIGH SCHOOL PROM

Each year the Junior class will organize and hold Prom. Students inviting guests that do not attend Spoon River Valley High School must turn the proper paperwork into the office. All rules in the section regarding Extra-Curricular Activities and Dances will apply. In order to attend Prom, students must have all fees and fines paid in full prior to the event. A student may NOT attend Prom if they have more than five unexcused absences that semester.

HOMEROOM

Homerooms meet the end-of the school day. The purpose of homeroom is to allow time for group meetings, pep assemblies and other activities that would normally take time away from the academic day. If a student is not participating in a group activity, they are expected to be in their homerooms and quiet. Students who are found wandering the halls will be subject to disciplinary action. Students who miss homeroom will be subject to discipline contained in the truancy section of this handbook. An incentive homeroom policy will be introduced in the fall.

INSURANCE

All students attending Spoon River Valley Schools will be able to purchase insurance through American Youth Student and Sports Insurance. Brochures describing the insurance coverage and rates will be provided at registration time. The following coverage may be purchased: School-time coverage, 24 hour coverage during the school year, football coverage for grades 9-12, optional accident and sickness coverage, and 24-hour summer vacation only coverage. Before a student can participate in any school sports, they must show proof of insurance.

LIBRARY

The library is provided for the student's use in the areas of reading, study, research, and the use of audio-visual materials. It is open during the entire day and a short time after school. Our library is not a student lounge and students are expected to use the library for study purposes.

Books, computers, audio-visual materials, periodicals, newspapers, and other equipment are available for the student's use. Students must present a student ID in order to check out materials. Materials checked out from the library should be returned to the book drop at the circulation center.

Students are responsible for fines on material that is overdue and for any damage that is done to any materials checked out to that person. It is wise for a person to make sure that no damage has been done prior to material checkout. In order to maintain an atmosphere in which students can study, it is necessary to require students to have a specific purpose for coming to the library.

LOCKERS

A student's school locker is the property of the school and must be used for the purposes intended: a storage area for books, school supplies, and outdoor garments. Each student will be assigned a locker. Students are to use only lockers assigned to them. Do not tamper with another locker or give the combination to another person. Students are advised that school officials may search lockers at any time, with or without the student's knowledge or consent. Students are not to use tape of any kind to attach signs to lockers. Only "Fun Tack" or its equivalent may be used to attach items to lockers.

LOITERING / TRESPASSING

Loitering on school property is not permitted. Infractions may result in suspension, expulsion, or arrest. Trespassers will be escorted off of school property and/or referred to the police.

LOST AND FOUND

Students who find lost articles are asked to take them to the Lost and Found in the office. Lost articles, which are not claimed within a reasonable time, will be given to a charitable organization or thrown away. Lost or stolen items should be reported to the office immediately and the proper form completed.

STUDENT MEDICATION

Taking medication during school hours or during school-related activities is prohibited unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child by completing a "Student Medical Authorization Form."

No school or district employee is allowed to administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed School Medication Authorization Form is submitted by the student's parent/guardian. No student is allowed to possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this procedure.

A student may possess an epinephrine auto-injector (EpiPen®) and/or an asthma inhaler prescribed for immediate use at the student's discretion, provided the student's parent/guardian has completed and signed an Authorization for Student Self-Medication Form. The school and district shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector or the storage of any medication by school personnel. A student's parent/guardian must agree to indemnify and hold harmless the school district and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine auto-injector and/or asthma inhaler, or the storage of any medication by school personnel.

NON-SCHOOL ORGANIZATIONS

This school does not and cannot give recognition to any

fraternity or sorority nor approve of pledging, hazing, or any activities they may initiate. Because this is a public, tax supported school, and because these organizations are not open to all in membership or under school supervision, they are asked to keep their activities entirely off school property.

PARENTAL INVOLVEMENT

Parent-Teacher Communication: Very often an issue regarding something at school will arise that will cause parents to raise questions. The resolution of an issue is important to parent, child, and the school. The first step in resolving such a problem is to contact the teacher involved. If the problem cannot be resolved, the principal is the next person to contact either by telephone or in person at the school. The superintendent of schools may be contacted if a solution cannot be agreed upon, but the superintendent and then the school board should be the last steps in the resolution process.

Parent-Teacher Conferences: Formal parent/teacher conferences are held in the fall of the year. This is a good opportunity for parents to find out about their child's progress and to ask any questions concerning the educational program. Parents will be contacted as to the date and time for the conference.

Other conferences may be held during the year at parent or teacher request. Please call the office to arrange an appointment if you desire a conference with a teacher. Parents are encouraged to visit the classroom. It is often helpful to see your child at work and at play with his/her peers. Please contact the school office to arrange a time to visit your student's classroom(s), and then stop by the office to pick up a visitor's badge before going to the classroom.

The School visitation Rights Act recognizes that employed parents or guardians may be unable to meet with educators because of conflicts arising out of work obligations. This Act grants an allotment of time during the school year, which an employer must allow the parent or guardian to attend **necessary** educational or behavior conferences at the child's school. Forms are available at the office for use/distribution.

PARKING

Students may park their vehicles in the front lot. Vehicles must be parked between the painted lines, and must be driven under the speed limit of 10 miles per hour while in the lot. Vehicles should be driven safely and must yield to pedestrians. Vehicles parked outside painted lines or designated parking spots may be ticketed or towed at the discretion of the school, at the vehicle owner's expense. Students caught driving recklessly in the parking lot may be subject to disciplinary action. All student vehicles are

expected to display the appropriate parking permit. If the permit is not displayed, the student may be subject to disciplinary action.

The north lot is for school staff, personnel, and others designated by administration. These lots MAY NOT be used by students at any time. Student vehicles parked in these lots may be ticketed or towed at the discretion of administration.

The school is not responsible for student vehicles, any possessions left in them, or anything attached to the vehicles. **STUDENTS PARK THEIR VEHICLES ON OR NEAR SCHOOL PROPERTY AT THEIR OWN RISK.** Students should be aware their vehicles are not protected in any way while in the parking lot, and items of value should not be left in or near the vehicle while unattended.

Students have no reasonable expectation of privacy in cars parked on school grounds. School lots are regularly searched by contraband dogs, administration, and police officers. Students should be aware that items and spaces on school grounds are subject to search and view by others, and that prohibited items discovered during the course of a search may result in discipline, including, but not limited to, expulsion from school.

Vehicles MAY NOT be parked or located in the bus lanes or fire lanes at ANY TIME. Bus lanes and fire lanes are clearly marked. Vehicles located in these locations may be ticketed and/or towed by the police.

Video cameras may be active in parking lots and may be used for the purposes of investigation into student misconduct. Discipline for misconduct includes all disciplinary measures in the student discipline code and/or withdrawal of parking privileges.

PESTICIDE APPLICATION

The supervisor of each district building will notify students and employees in their building as well as the parent(s)/guardian(s) of students at least 2 business days before a pesticide application in or on school buildings or grounds.

PHYSICAL EXAMINATIONS

State law demands a complete physical examination for all incoming freshmen. They will not be allowed to attend school until a school physical has been completed. Physical examinations are required for each year of participation in athletics. The only exceptions to these requirements may be granted for medical or religious reasons and then written statements must be submitted to school authorities. If laws should change, you will be informed.

PICKING UP OR DROPPING OFF STUDENTS

Those individuals dropping off or picking up students before or after school should do so in the parking lot at the front of the building. The bus pick-up area is not to be used to pick up, drop off, or wait for students.

POSTERS

All posters or announcements to be displayed anywhere in the building must be approved by the office. Approved items must be attached with "Fun Tape" to surfaces that will not be marred by it. It is understood that all signs posted will be taken down after a reasonable length of time by the person(s) who put them up.

PUBLIC DISPLAY OF AFFECTION

Students are to refrain from any display of public affection at school or school sponsored activities. Public Displays of Affection are considered disorderly conduct and as such are subject to disciplinary action.

RESTROOMS

Students are expected to keep restrooms clean. Students are not to loiter, write on the walls, or damage the facilities in any way. If a student is feeling ill, he/she is to report to the office; and is not to remain in the restroom.

SEARCH AND SEIZURE ¹

In order to maintain order safety and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" includes school liaison police officers.

School Property and Equipment as well as Personal Effects Left There by Students

School authorities may inspect and search school property and equipment owned or controlled by the school (such as, lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

The building principal may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Students

School authorities may search a student and/or the student's personal effects in the student's possession (such as, purses, wallets, knapsacks, bookbags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the school or district's student rules and policies. The search will be conducted in a manner that is reasonably related to its objective of the search and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

Seizure of Property

If a search produces evidence that the student has violated or is violating either the law or the school or district's policies or rules, evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, evidence may be transferred to law enforcement authorities.

SEXUAL HARASSMENT

Sexual harassment of students is prohibited. An employee, District agent, or student engages in sexual harassment whenever he/she makes unwelcome sexual advances, requests sexual favors, and engages in other verbal or physical conduct of a sexual or sex-based nature, imposed on the basis of sex, that:

1. denies or limits the provision of educational aid, benefits, services, or treatment; or that makes such conduct a condition of a student's academic status or
2. has the purpose or effect of:
 - a. substantially interfering with a student's educational environment;
 - b. creating an intimidating, hostile, or offensive educational environment;
 - c. depriving a student of educational aid, benefits, services, or treatment; or
 - d. making submission to or rejection of such unwelcome conduct the basis for academic decisions affecting a student.

The terms "intimidating", "hostile", and "offensive" include conduct that has the effect of humiliation, embarrassment or discomfort. Examples of sexual harassment include unwelcome touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics,

and spreading rumors related to a person's alleged sexual activities. Students who believe they are victims of sexual harassment or have witnessed sexual harassment are encouraged to discuss the matter with the student Nondiscrimination Coordinator (Guidance Counselor), building Principal or a Complaint Manager. Students may choose to report to a person of the student's same sex. Complaints will be kept confidential to the extent possible given the need to investigate. Students who make good faith complaints will not be disciplined.

An allegation that one student was sexually harassed by another student shall be referred to the Building Principal for appropriate action. The district's current Nondiscrimination Coordinator and Complaint Managers are:

Nondiscrimination Coordinator:

Chris Janssen, Superintendent
35265 N. IL 97, London Mills, IL 61544
309-778-2201

Complaint Managers:

Chris Janssen, Superintendent
35265 N. IL 97, London Mills, IL 61544
309-778-2201

Jody Collier, Principal
35265 N IL 97, London Mills, IL 61544
309-778-2201

The Superintendent shall also use reasonable measures to inform staff members and students that the District will not tolerate sexual harassment. Any District employee who is determined, after an investigation, to have engaged in sexual harassment will be subject to disciplinary action up to and including discharge. Any student of the District who is determined, after investigation, to have engaged in sexual harassment will be subject to disciplinary action, including but not limited to, suspension and expulsion consistent with the discipline policy. Any person making a knowingly false accusation regarding sexual harassment will likewise be subject to disciplinary action up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.

SUICIDE AND DEPRESSION AWARENESS AND PREVENTION

Youth suicide impacts the safety of the school environment. It also affects the school community, diminishing the ability of surviving students to learn and the school's ability to educate. Suicide and depression awareness and prevention are important goals of the school district.

The school district maintains student and parent resources on suicide and depression awareness and prevention. Much of

this information, including a copy of school district's policy, is posted on the school district website. Information can also be obtained from the school office.

CELL PHONES, AND ELECTRONIC DEVICES

The office telephone is a business telephone and should be used by students for EMERGENCIES only after receiving office permission. Students are allowed two (2) non-emergency phone calls per semester.

The possession and use of cell phones, i-pods, MP3 players, cameras and other similar electronic devices, are subject to the following rules:

- They must be turned off and kept out of sight and in an inconspicuous location, such as a backpack, purse, or locker during the school day. They may not be used in any manner that will cause disruption to the educational environment or will otherwise violate student conduct rules.
 - On the first offense, the device will be confiscated and held securely in the office until the end of the day. The student may pick up the device at the end of the school day. The student may also be required to participate in an activity addressing cell phone etiquette.
 - On the second offense, the device will be confiscated and only a parent may pick up the device from the office.
 - On the third offense an after school detention will be assigned. Only a parent may pick up the device.
 - On the fourth offense a Saturday school will be assigned. Only a parent may pick up the device.
 - On the fifth offense an in-school will be assigned. Only a parent may pick up the device.
 - On the sixth offense an in-school suspension will be assigned. The student will not be allowed to have the phone at school for the remainder of the school year.

Yearbook activities and other teacher –assigned projects are an exception to this policy.

ELECTRONIC SIGNALING DEVICES

Students may not use or possess electronic paging devices or

two-way radios on school property at any time, unless the Building Principal specifically grants permission.

VALUABLES

Students are cautioned not to bring large amounts of money or valuables to school. Any valuables brought to school are at your own risk. Students, not the school, are responsible for their personal property.

VISITORS

Student visitors must have a visitor's pass from the Principal's office. Students from neighboring schools will not be allowed to visit for social reasons, however, graduates or former students will be permitted to visit faculty members. Student exchanges, foreign visitors, or relatives visiting families who are genuinely interested in the academic aspect of school are examples of legitimate reasons for visiting. To avoid disappointment and possible inconvenience, requests for visitors should be made to the Principal at least a day in advance. This is done by a student bringing a parent note requesting that he/she be allowed to have a visitor (name) on a specific day and time.

1. The student must accompany his/her guest throughout the day and will be responsible for his/her conduct. You are to present the pass to each teacher at the beginning of each period.
2. No visitors are allowed on exam days or "special" days such as prevention day. Visitors are also not allowed if they are incurring absence from another school in the area or if prior arrangements have not been made. Don't embarrass guests by bringing them unannounced.
3. Teachers and other employees may request that any person on school property identify himself/herself and the purpose of his/her entry. A person who refuses to provide such information is guilty of a misdemeanor and may be referred to the police.
4. Parents wishing to visit the school are always welcome. However, a visiting parent should obtain permission from the principal's office for the day. Each visitor must have a pass from the office to present to the classroom teacher at the beginning of each period.

CONDUCT AND DISCIPLINE

SAFE SCHOOL ZONE AND THE LAW

The Illinois General Assembly passed the "Safe School Zone" act in an effort to enact criminal legislation specifically aimed at combating gang crime and making our schools a safe place to learn. Under the legislation, laws increased penalties for the sale, distribution, and manufacture of illegal drugs on any

school campus and within 1,000 feet of school property. These laws also increased penalties for possession of weapons, violations committed on school property, and gang activity and recruitment. State law also was changed so that minors aged 15 and older found in possession of a weapon in school will be tried as adults.

Any unlawful act taking place on school grounds, buses, or during school sponsored activities not only makes the student subject to penalties which the courts may prescribe but also may result in suspension or dismissal from school.

Reciprocal Reporting of Criminal Offenses Committed by Students: District #4 and Law Enforcement are legally obligated to report to each other the following activities:

- cases involving illegal or controlled substances (including alcohol)
- cases involving weapons of any type
- cases involving criminal gang activity
- cases involving a serious crime or felony
- all other criminal offenses committed by a student as per state laws.

DISCIPLINE POLICY

The goal of the District #4 Discipline Policy is to help develop student responsibility and self-discipline. It provides consequences for unacceptable behaviors, which are meant to promote remediation. Gross disobedience or misconduct may lead to suspension or expulsion.

- Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Prohibited conduct specifically includes, without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property, retaliation, hazing, bullying, bullying through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment, or other comparable conduct.

- Being involved with any public school fraternity, sorority, or secret society.

- For purposes of these rules, the term "possession" includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student locker, desk, or other school property; (d) at any location on school property or at a school-sponsored event; or (e) in the case of drugs and alcohol, substances ingested by the person.
- No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.
- The grounds for disciplinary action also apply whenever the student's conduct is reasonably related to school or school activities, including but not limited to:
 - On, or within sight of, school grounds before, during, or after school hours or at any time;

Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

FIREARMS, KNIVES, BRASS KNUCKLES & OTHER OBJECTS USED OR ATTEMPTED TO BE USED TO CAUSE HARM

In making a decision relative to the type of punishment that should occur for non conformance to rules and regulations, the administration will consider the following:

1. The cause of the misbehavior
2. The severity of the offense
3. The history of the student

There are circumstances under which any repeated offense, when considered in the context of the circumstances surrounding their occurrence and/or the student's past behavior record, may lead to a recommendation for expulsion from school.

These grounds for disciplinary action apply whenever a student's conduct is reasonably related to school or school activities, including, but not limited to:

On, or within sight of, school grounds before, during or after school hours or at any other time when school groups are using the school.

Off school grounds at a school-sponsored activity or event or any event or activity which bears a reasonable relationship to school.

Traveling to or from school or a school activity. Anywhere, if the conduct may reasonably be considered to be a threat or an attempted intimidation of a staff member, or an interference with the school purposes or and educational function.

FIRST OFFENSE consequence will range from a Saturday Detention to a five day suspension and referral to legal authorities.

CLASSROOM DISRUPTION

Classroom disruption is any behavior that interferes with student learning. Teachers have the right to define classroom expectations as part of their professional expertise and will provide consequences for students who disrupt the class. Students who do not consequently correct their behavior may be referred to the office. Discipline referrals will be considered on a per class basis and may lead to:

Disorderly Conduct to Include Profanity and Obscene Behavior: This includes conduct and/or behavior that are disruptive to the orderly educational procedure of school.

FIRST OFFENSE consequence will range from a Level II to a five day suspension and possible referral to legal authorities.

DRUGS (including alcohol)

To be under the influence, using, or in the possession of illicit drugs including alcohol and nicotine is prohibited. All drugs present health risks to the user. Therefore, they are addressed in the Discipline Code with some special provisions for an alternative to suspension that includes education and parent involvement. A report will be filed with legal authorities concerning any questionable drug-related activity. This applies to all school sponsored activities as well as to the regular school day.

Advertising of drugs, including alcohol and nicotine, will be prohibited because the use it encourages poses a health hazard. (See Dress/Grooming)

Prescription medication and over-the-counter medication (such as aspirin, Tylenol and asthma inhalants) are to be left in the office with a permission slip so their use may be monitored. Prescription medication must have a doctor's note. Possession of such legal drugs may be treated the same as the possession of illicit drugs. Their possession may create a situation in which these legal drugs are misused. (See Medication)

Possession, Solicitation, Under the Influence, or Use of Drugs, including Alcohol and Inhalants: This includes possessing, soliciting, being under the influence, and/or using illegal drugs, look-alike drugs or alcohol in any form on school property, on school buses, at school functions, and/or at WACS. In all cases, the parents/guardians will be encouraged to have their child complete a substance abuse assessment and follow the subsequent recommendations. The cost will be the responsibility of the family and not the District.

Sale, Purchase, or Giving Away or Receiving of Drugs, Including Alcohol and Inhalants:

This includes the sale, purchase, giving away or receiving of illegal drugs and/or look-alike drugs or alcohol in any form on school property, school buses, at school functions and/or WACS.

FIRST OFFENSE a student will be suspended for 10 days and may be recommended for expulsion for this violation and a report will be made to the legal authorities. FIRST OFFENSE consequence will range from a three to a five-day out-of-school suspension and will be reported to legal authorities.

FIGHTING

Schools are places where positive interaction with different people is considered an important aspect of learning good citizenship.

FIGHTING IS UNACCEPTABLE. If a student is attacked, he/she may use self-defense that is defined as protecting oneself in a manner that does not escalate the fight. When possible, students are encouraged to prevent fights by seeking assistance whenever they are unable to solve conflicts. Counselors may offer help in mediating conflicts before they escalate into violence. Students who ignore this are liable, as are their parents, for any injuries they might

cause to other students.

Fighting: Students who engage in physical contact for the purpose of inflicting harm on the other person.

FIRST OFFENSE consequence will range from a Level II Consequence to a ten-day out-of-school suspension and possible report to legal authorities.

Physical Assault: Physical attacks by one person, or a group of persons, upon another who does not wish to engage in the conflict and who has not provoked the attack. FIRST OFFENSE consequence will range from a Level II Consequence to a five-day out-of school suspension and possible report to legal authorities.

FORGERY / ALTERING DOCUMENTS

Forgery: Writing and using the signature or initials of another person. This includes falsely representing one's identity.

Altering Documents: Changing information on any school district materials. This includes both computer records and printed material

FIRST OFFENSE consequence will range from a Level II Consequence to a five day suspension

Gambling: Participating in games of chance for the express purpose of exchanging money.

Extortion: The solicitation of money, or something of value, whether overt or implied, from another student, regardless of amount, in return for protection, or in connection with a threat to inflict harm.

FIRST OFFENSE consequence will range from a Saturday Detention to a five day suspension

PREVENTION OF AND RESPONSE TO BULLYING, INTIMIDATION, AND HARASSMENT

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important school goals. Bullying on the basis of actual or perceived race, color, national origin, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is prohibited in each of the following situations:

DISCIPLINARY ACTIONS

REMOVAL FROM CLASS

Immediate removal from the classroom setting may occur when a student displays disruptive behavior. A disruptive student may be placed in the hall or sent to the office at the teacher’s discretion. Students who become angry and lose control are always to be sent to the office. A teacher may use reasonable force as needed to maintain safety for other students and remove the disruptive student from the classroom. Removal from class may result in an unexcused absence.

DETENTION

Students may be assigned detentions with their teacher or the office for misconduct or disciplinary problems. A student will be given 24 hour notice to serve the detention (the student may waive this notice if they choose to do so). The detention may be of varying lengths of time (depending on the teacher and incident of misconduct), but will not go past 4 p.m. A written notice of the detention will be given to the

student with a copy going to the office. Administration reserves the right to assign discipline consequences based on frequency and severity of discipline incident. Additional office consequences may result as follows:

Number of Detentions/Office Referrals	Range of Consequences
3	Office Detentions/Saturday School Detention
4-7	Saturday School Detention/In-school Suspension (1-3 days)

Failure to serve an after-school office detention will result in more serious discipline measures such as one day of Saturday School or In-school suspension.

IN SCHOOL DETENTION REGULATIONS

Students must report on time and on the date(s) assigned. Students are to bring schoolwork with them to detention. NO food or drink will be consumed during detention. Students are responsible for arranging their own transportation after detention. Failure to serve an after school detention will result in the following action:

SECOND OFFENSE:	Assignment of a full Saturday detention.
3RD AND SUBSEQUENT OFFENSES:	1 day of out-of-school suspension.

SATURDAY DETENTION

Saturday Detentions are an alternative to suspension. Students assigned a 1/2 or full Saturday detention will be given written notification (given to the student) no later than the end of school on the Thursday before the detention. A detention given to a student after the end of school on Thursday will be served the following week. This allows time for the student and parent to make arrangements to serve the detention.

SATURDAY DETENTION GUIDELINES

 - Full day Saturday detentions are from 8:00 - 12:00 p.m.

- o Student's families are responsible for their transportation to and from school.
- o Students are expected to work on school assignments and/or read quietly with appropriate school material.

- o Failure to serve any Saturday detention will result in a one-day in or out-of-school suspension.

SUSPENSIONS

Violation of school regulations may be cause for suspension from school or internally from daily activities. In all cases of suspension, the principal or his/her designee will contact the parents as soon as possible using the information provided on the emergency form completed and returned by the parents. A letter is sent stating the rule violated and the action taken. Any suspension may be appealed to the school hearing officer.

OUT-OF SCHOOL SUSPENSION

Out-of-school suspension is the temporary removal of a student from classes not to exceed ten (10) days per infraction. During an out-of-school suspension a student will not be allowed on the school grounds. Students serving out-of-school suspension may not attend or participate in any school-sponsored activities until after their suspension is concluded. Conclusion of out-of-school suspension is at midnight of the last day of the suspension. All work must be submitted upon the first day of the return to class. *Student work is due immediately upon return (noting certain scheduling requirements are at the discretion of the teacher)

IN SCHOOL SUSPENSIONS

In school suspension is a temporary removal of the student from daily activities. A student will be assigned to a supervised area and will do all school work in this area. Students will also eat lunch in the supervised area away from everyday activities. Students will receive credit for assignments completed during an internal suspension. All work must be submitted upon the first day of the return to class. An in-school suspension will conclude at the end of a school day. Students may be allowed to use technology at

the discretion of the principal to complete work during the suspension, but will NOT be allowed to use headphones during the suspension.

PROBATION

After a student has been suspended for a total of ten days in a school year, he/she may be placed on probation. Once a student has been placed on probation, a letter to this effect will be mailed home to his/her parents stating that the next suspendable offense may result in a recommendation to the Board of Education for expulsion. This letter will also include a list of previous offenses and suspensions.

EXPULSION

A student may be expelled from the high school for a series of incidents or a single severe incident. In such case, the administration will hold a hearing before the Board of Education for expulsion. At the hearing, the student or his/her representative will have the opportunity to provide his/her defense. Parents and all concerned parties will be notified in writing of the board's decision. The maximum expulsion period is 180 school days. Gross misconduct seriously threatening any student or staff member is grounds for expulsion and/or legal recourse.

MISCONDUCT BY STUDENTS WITH DISABILITIES

Behavioral Interventions:

Behavioral interventions shall be used with students with disabilities to promote and strengthen desirable behaviors and reduce identified inappropriate behaviors. The District will establish and maintain a committee to develop, implement, and monitor procedures on the use of behavioral interventions for children with disabilities. The committee shall review the State Board of Education's guidelines on the use of behavioral interventions and use them as a non-binding reference. The Superintendent may designate at least one staff member as a behavioral intervention consultant who shall oversee the implementation of this policy. This policy and the behavioral intervention procedures shall be furnished to the parent(s)/guardian(s) of all students with individual education plans within 15 days after their adoption and/or presentation to the Board or at the time an individual education plan is first implemented for a student; all students shall be informed annually of the existence of this policy and the procedures.

Suspension and Expulsion:

The following procedures shall be used when a student with a disability is alleged to have engaged in disobedience or misconduct:

- I. Suspension for a Cumulative Period Not to Exceed 10 Days in Any School Year
- II. The District's regular suspension procedures shall be

used to suspend a student with a disability, as long as the District does not invoke a series of suspensions creating a pattern of constituting a change in placement.

- III. Suspension Beyond 10 days, or Expulsion
- A. The District shall promptly notify the student's parent(s)/guardian(s) of the disobedience or misconduct and whether the student will be suspended. All procedural protections pertaining to notice provided under the regular education discipline policy shall apply to this notice. This information shall be confirmed in writing and the parent(s)/guardian(s) shall be advised as follows:
 - B. 1. That the multidisciplinary conference (MDC) team shall meet as soon as possible, but at least 10 calendar
 - C. days after this notice was sent, unless such 10- day notice is waived by the parent(s)/guardian(s), to
 - D. determine whether a causal relationship exists between the student's disabling condition and the student's
 - E. alleged disobedience or misconduct; and
- IV. That the student's parent(s)/guardian(s) are requested to attend the multidisciplinary team meeting and
- A. the date, time and location of the meeting.
 - B. MDR Determination:
 - C. The IEP team may determine that the student's disobedience or misconduct is not causally related to the student's disabling condition and, therefore, the student may be disciplined under the District's discipline policy for regular education students by measures up to and including expulsion. If the Board imposes expulsion or other disciplinary measures involving any alteration of the student's special education program, an IEP meeting shall be convened to determine appropriate alternative means of service delivery.
 - D. The Board may not expel a disabled student if the IEP team determines that the student's gross disobedience or misconduct is causally related to the student's disabling condition. The IEP team is responsible to address placement changes that may be appropriate in light of misconduct, which is found to be disability- related.

If the parent(s)/guardian(s) object to a proposed change in their child's educational placement, and the Superintendent believes that the student's behavior in the current placement

poses a continuing physical danger to the student or to others, the Superintendent is authorized to seek a court order to change the student's placement or to suspend the student for more than 10 days.

Possession of a Firearm:

In accordance with the above procedures, the Board may take one or more of the following steps when a student with a disability brings a firearm to school:

1. Suspend the student from school for 10 school days or less.
2. Convene an MDC team to consider placement in an interim alternative education setting for up to 45 calendar days. If the parent(s)/guardian(s) disagree with the alternative educational placement or with the District-proposed placement, and the parent(s)/guardian(s) initiate a due process hearing, the student must remain in the alternative educational setting during the authorized review proceedings, unless the parent(s)/guardian(s) and the District agree on another placement.
3. Convene an MDC team to determine whether or not the bringing of a firearm to school was a manifestation of the student's disability. If the student's conduct is a manifestation of the student's disability, the District may initiate a change in placement. If the student's conduct is not a manifestation of the student's disability, the District may expel the student under the District's discipline policy.
4. Seek a court order to remove the student from school to change the student's current educational placement if the District believes that the student's continued presence in the classroom is substantially likely to result in injury to the student or to others.

Step 1 – Conference, Parent Contact and Office

Detention

For severe violations, multi-week suspensions could be incurred. A student can lose bus privileges for the school year, with School Board action. All written notices will be mailed to parents. Bus suspension is not an excused absence from school therefore, his/her parent(s) will be required to arrange transportation to and from school during the affected period.

All buses to games or field trips are scheduled by the school, and each bus is under the direction of a faculty member. Each student is required to return to the school on the assigned bus unless special arrangements have been made by parents and given in writing to the staff member in charge. Special arrangements for students, not returning home on the bus, will be limited to students riding home with parents or other responsible adults, such as the parents of another

student. Reasonable dress and conduct appropriate to the situation are expected. Video and audio cameras may be active on busses to record student conduct and may be used for the purposes of investigation into misconduct or accidents on the bus.

The Complaint Manager shall assist the Complainant as needed.

2. Investigation

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. If the complainant is a student, the Complaint Manager will notify his or her parent(s)/guardian(s) that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except (1) as required by law or this policy, or (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant. The Complaint Manager shall file a written report of his or her findings with the Superintendent. If a complaint of sexual harassment contains allegations involving the Superintendent, the written report shall be filed with the School Board, which shall render a decision in accordance with Section 3 of this Policy. The Superintendent will keep the Board informed of all complaints.

3. Decisions and Appeals

After receipt of the Complaint Manager's report, the Superintendent shall render a written decision that shall be provided to the Complainant. If the Complainant is not satisfied with the decision, the Complainant may appeal it to the School Board by making a written request to the Complaint Manager. The Complaint Manager shall be responsible for promptly forwarding all materials relative to the complaint and appeal to the School Board. Thereafter, the School Board shall render a written decision that shall be provided to the Complainant. This grievance procedure shall not be construed to create an independent right to a School Board hearing.

APPOINTING COMPLAINT MANAGERS

The Superintendent shall appoint at least two Complaint Managers, one of each gender. The District's Nondiscrimination Coordinator may be appointed a Complaint Manager. The District's current Complaint Managers for the Uniform Grievance Procedure are:

APPENDIX B - STUDENT RECORDS

A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction or by a school employee, regardless of how or where the information is stored, except for certain records kept in a staff member's sole possession; records maintained by law enforcement officers working in the school; video and other electronic recordings that are created in part for law enforcement, security, or safety reasons or purposes; and electronic recordings made on school buses.

The Family Educational Rights and Privacy Act (FERPA) and the Illinois Student Records Act afford parents/guardians and students over 18 years of age ("eligible students") certain rights with respect to the student's school records. They are:

1. The right to inspect and copy the student's education records within 15 school days of the day the District receives a request for access.

The degree of access a student has to his or her records depends on the student's age. Students less than 18 years of age have the right to inspect and copy only their permanent record. Students 18 years of age or older have access and copy rights to both permanent and temporary records. A parent/guardian or student should submit to the building principal a written request that identifies the record(s) he or she wishes to inspect. The principal will make arrangements for access and notify the parent/guardian or student of the time and place where the records may be inspected. The District charges \$.35 per page for copying but no one will be denied their right to copies of their records for inability to pay this cost.

These rights are denied to any person against whom an order of protection has been entered concerning the student.

2. The right to request removal from the student's academic transcript one or more scores received on college entrance examinations.⁴

A parent/guardian or eligible student may ask the District to remove certain scores of college entrance exams from their student's academic transcript. Students often take college entrance examinations multiple times in order to improve their results. Test publishers provide the results from each examination taken to the student's high school. Schools must include each of these scores on the student's transcript, which may result in academic transcripts having multiple scores from a single college entrance exam. A parent/guardian or eligible student may not want certain scores to be sent to postsecondary institutions to which the student applies. To request the removal of scores on college entrance examinations, the parent/guardian or eligible student must submit a written request stating the name of each college entrance examination that is the subject of the request and the dates of the scores that are to be removed.

3. The right to request the amendment of the student's education records that the parent/guardian or eligible student believes are inaccurate, irrelevant, or improper.

A parent/guardian or eligible student may ask the District to amend a record that is believed to be inaccurate, irrelevant, or improper. Requests should be sent to the building principal and should clearly identify the record the parent/guardian or eligible student wants changed and the specific reason a change is being sought.

If the District decides not to amend the record, the District will notify the parent/guardian or eligible student of the decision and advise him or her of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent/guardian or eligible student when notified of the right to a hearing.

4. The right to permit disclosure of personally identifiable information contained in the student's education records, except to the extent that the FERPA or Illinois School Student Records Act authorizes disclosure without consent.

Disclosure without consent is permitted to school officials with legitimate educational or administrative interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or any parent/guardian or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the District discloses education records without consent to officials of another school district in which a student has enrolled or intends to enroll, as well as to any person as specifically required by State or federal law. Before information is released to these individuals, the parents/guardians or eligible student will receive prior written notice of the nature and substance of the information, and an opportunity to inspect, copy, and challenge such records.

Academic grades and references to expulsions or out-of-school suspensions cannot be challenged at the time a student's records are

being forwarded to another school to which the student is transferring.

Disclosure is also permitted without consent to: any person for research, statistical reporting or planning, provided that no student or parent/guardian can be identified; any person named in a court order; appropriate persons if the knowledge of such information is necessary to protect the health or safety of the student or other persons; and juvenile authorities when necessary for the discharge of their official duties who request information before adjudication of the student.

5. The right to a copy of any school student record proposed to be destroyed or deleted.

The permanent record is maintained for at least 60 years after the student transfers, graduates, or permanently withdraws. The temporary record is maintained for at least 5 years after the student transfers, graduates, or permanently withdraws. Temporary records that may be of assistance to a student with a disability who graduates or permanently withdraws, may, after 5 years, be transferred to the parent/guardian or to the student, if the student has succeeded to the rights of the parent/guardian. Student temporary records are reviewed every 4 years or upon a student's change in attendance centers, whichever occurs first.

6. The right to prohibit the release of directory information.

Throughout the school year, the District may release directory information regarding students, limited to:

Name

Address

Gender

Grade level

Birth date and place

Parent/guardian names, addresses, electronic mail addresses, and telephone numbers

Photographs, videos, or digital images used for informational or news-related purposes (whether by a media outlet or by the school) of a student participating in school or school-sponsored activities, organizations, and athletics that have appeared in school publications, such as yearbooks, newspapers, or sporting or fine arts programs

Academic awards, degrees, and honors

Information in relation to school-sponsored activities, organizations, and athletics

Major field of study

Period of attendance in school

Any parent/guardian or eligible student may prohibit the release of any or all of the above information by delivering a written objection to the building principal within 30 days of the date of this notice.

7. The right to request that military recruiters or institutions of higher learning not be granted access to your student's information without your prior written consent.

Federal law requires a secondary school to grant military recruiters and institutions of higher learning, upon their request, access to secondary school students' names, addresses, and telephone numbers, unless the parent/guardian, or student who is 18 years of age or older, request that the information not be disclosed without prior written consent. If you wish to exercise this option, notify the building principal.

8. The right contained in this statement: No person may condition the granting or withholding of any right, privilege or benefits or make as a condition of employment, credit, or insurance the securing by any individual of any information from a student's temporary record which such individual may obtain through the exercise of any right secured under State law.

9. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA is:

Family Policy Compliance Office

U.S. Department of Education

400 Maryland Avenue, SW

APPENDIX C - INTERNET ACCEPTABLE USE POLICY

All use of electronic network use must be consistent with the school's goal of promoting educational excellence by facilitating resource sharing, innovation, and communication. These rules do not attempt to state all required or proscribed behavior by users. However, some specific examples are provided. The failure of any user to follow these rules will result in the loss of privileges, disciplinary action, and/or appropriate legal action.

Acceptable Use - Access to the electronic network must be: (a) for the purpose of education or research, and be consistent with the District's educational objectives, or (b) for legitimate business use.

Privileges - The use of the electronic network is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The system administrator or Building Principal will make all decisions regarding whether or not a user has violated these procedures and may deny, revoke, or suspend access at any time. His or her decision is final.

Unacceptable Use - The user is responsible for his or her actions and activities involving the network. Some examples of unacceptable uses are:

- a. Using the network for any illegal activity, including violation of copyright or other contracts, or transmitting any material in violation of any State or federal law;
- b. Unauthorized downloading of software, regardless of whether it is copyrighted or de-virused;
- c. Downloading of copyrighted material for other than personal use;
- d. Using the network for private financial or commercial gain;
- e. Wastefully using resources, such as file space;
- f. Hacking or gaining unauthorized access to files, resources, or entities;
- g. Invading the privacy of individuals, that includes the unauthorized disclosure, dissemination, and use of information about anyone that is of a personal nature including a photograph;
- h. Using another user's account or password;
- i. Posting material authored or created by another without his/her consent;
- j. Posting anonymous messages;
- k. Using the network for commercial or private advertising;
- l. Accessing, submitting, posting, publishing, or displaying any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, harassing, or illegal material; and
- m. Using the network while access privileges are suspended or revoked.

Network Etiquette - The user is expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to, the following:

- a. Be polite. Do not become abusive in messages to others.
- b. Use appropriate language. Do not swear, or use vulgarities or any other inappropriate language.
- c. Do not reveal personal information, including the addresses or telephone numbers, of students or colleagues.
- d. Recognize that email is not private. People who operate the system have access to all email. Messages relating to or in support of illegal activities may be reported to the authorities.
- e. Do not use the network in any way that would disrupt its use by other users.
- f. Consider all communications and information accessible via the network to be private property.

No Warranties - The District makes no warranties of any kind, whether expressed or implied, for the service it is providing. The District will not be responsible for any damages the user suffers. This includes loss of data resulting from delays, non-deliveries, missed-deliveries, or service interruptions caused by its negligence or the user's errors or omissions. Use of any information obtained via the Internet is at the user's own risk. The District specifically denies any responsibility for the accuracy or quality of information obtained through its services.

Indemnification - The user agrees to indemnify the School District for any losses, costs, or damages, including reasonable attorney fees, incurred by the District relating to, or arising out of, any violation of these procedures.

Security - Network security is a high priority. If the user can identify a security problem on the Internet, the user must notify the system administrator or Building Principal. Do not demonstrate the problem to other users. Keep your account and password confidential. Do not use another individual's account without written permission from that individual. Attempts to log-on to the

Internet as a system administrator will result in cancellation of user privileges. Any user identified as a security risk may be denied access to the network.

Vandalism - Vandalism will result in cancellation of privileges and other disciplinary action. Vandalism is defined as any malicious attempt to harm or destroy data of another user, the Internet, or any other network. This includes, but is not limited to, the uploading or creation of computer viruses.

Telephone Charges - The District assumes no responsibility for any unauthorized charges or fees, including telephone charges, long-distance charges, per-minute surcharges, and/or equipment or line costs.

Copyright Web Publishing Rules - Copyright law and District policy prohibit the re-publishing of text or graphics found on the web or on District websites or file servers without explicit written permission.

- a. For each re-publication (on a website or file server) of a graphic or a text file that was produced externally, there must be a notice at the bottom of the page crediting the original producer and noting how and when permission was granted. If possible, the notice should also include the web address of the original source.
- b. Students engaged in producing web pages must provide library media specialists with email or hard copy permissions before the web pages are published. Printed evidence of the status of "public domain" documents must be provided.
- c. The absence of a copyright notice may not be interpreted as permission to copy the materials. Only the copyright owner may provide the permission. The manager of the website displaying the material may not be considered a source of permission.

Use of Email - The District's email system, and its constituent software, hardware, and data files, are owned and controlled by the School District. The School District provides email to aid students as an education tool.

- a. The District reserves the right to access and disclose the contents of any account on its system, without prior notice or permission from the account's user. Unauthorized access by any student to an email account is strictly prohibited.
- b. Each person should use the same degree of care in drafting an email message as would be put into a written memorandum or document. Nothing should be transmitted in an email message that would be inappropriate in a letter or memorandum.
- c. Electronic messages transmitted via the School District's Internet gateway carry with them an identification of the user's Internet *domain*. This domain is a registered name and identifies the author as being with the School District. Great care should be taken, therefore, in the composition of such messages and how such messages might reflect on the name and reputation of the School District. Users will be held personally responsible for the content of any and all email messages transmitted to external recipients.
- d. Any message received from an unknown sender via the Internet should either be immediately deleted or forwarded to the system administrator. Downloading any file attached to any Internet-based message is prohibited unless the user is certain of that message's authenticity and the nature of the file so transmitted.
- e. Use of the School District's email system constitutes consent to these regulations.

INTERNET ACCEPTABLE USE SIGN OFF

Dear Parents/Guardians:

Our School District has the ability to enhance your child's education through the use of electronic networks, including the Internet. Our goal in providing this service is to promote educational excellence by facilitating resource sharing, innovation, and communication. Students and their parents/guardians need only sign this *Authorization for Electronic Network Access* once while the student is enrolled in the School District.

The District *filters* access to materials that may be defamatory, inaccurate, offensive, or otherwise inappropriate in the school setting. If a filter has been disabled or malfunctions it is impossible to control all material and a user may discover inappropriate material. Ultimately, parents/guardians are responsible for setting and conveying the standards that their child or ward should follow, and the School District respects each family's right to decide whether or not to authorize Internet access.

With this educational opportunity also comes responsibility. The use of inappropriate material or language, or violation of copyright laws, may result in the loss of the privilege to use this resource. Remember that you are legally responsible for your child's actions. If you agree to allow your child to have an Internet account, sign the *Authorization* form below and return it to your school.

Authorization for Electronic Network Access Form

Students must have a parent/guardian read and agree to the following before being granted unsupervised access:

All use of the Internet shall be consistent with the District's goal of promoting educational excellence by facilitating resource sharing, innovation, and communication. The failure of any user to follow the terms of the *Acceptable Use of Electronic Networks* will result in the loss of privileges, disciplinary action, and/or appropriate legal action. The signatures at the end of this document are legally binding and indicate the parties who signed have read the terms and conditions carefully and understand their significance.

I have read this *Authorization* form. I understand that access is designed for educational purposes and that the District has taken precautions to eliminate controversial material. However, I also recognize it is impossible for the District to restrict access to all controversial and inappropriate materials. I will hold harmless the District, its employees, agents, or Board members, for any harm caused by materials or software obtained via the network. I accept full responsibility for supervision if and when my child's use is not in a school setting. I have discussed the *Acceptable Use of Electronic Networks* with my child. I hereby request that my child be allowed access to the District's electronic network, including the Internet.

Students must also read and agree to the following before being granted unsupervised access:

I understand and will abide by the above *Authorization for Electronic Network Access*. I understand that the District and/or its agents may access and monitor my use of the Internet, including my email and downloaded material, without prior notice to me. I further understand that should I commit any violation, my access privileges may be revoked, and school disciplinary action and/or legal action may be taken. In consideration for using the District's electronic network connection and having access to public networks, I hereby release the School District and its Board members, employees, and agents from any claims and damages arising from my use of, or inability to use the District's electronic network, including the Internet.
